INTRODUCTION

LoopVerse is a dynamic tech competition series by LoopLab, crafted to empower young innovators across domains like coding, web, mobile, and AI. From problem-solving to real-world applications, this is where talent meets opportunity. Let's build the future — one competition at a time.

COMPETITIVE PROGRAMMING

COMPETITIVE PROGRAMMING

Fast. Logical. Fearless.

- ◆ Competition Date: 8th August 2025
- ◆ Team Structure: Solo
- ◆ Duration: 3 hours
- ◆ Fee: Rs. 500
- ◆ Judging Criteria:
 - Problem-solving speed
 - Code efficiency
 - Algorithm optimization
 - Test case coverage

01

COMPETITIVE PROGRAMMING

Fast. Logical. Fearless.

◆ Competition Rules:

- Problems will be hosted on the official LoopLab website.
- Participants will be provided with input formats and multiple hidden test cases.
- Submitted code will be automatically tested against predefined cases.
- Once submitted, the code cannot be changed, or unsubmitted..
- Only one final submission per problem is allowed.
- Plagiarism and AI-generated code are strictly prohibited.

01

WEB DEVELOPMENT

WEB DEVELOPMENT

Design. Build. Win.

- ◆ Competition Date: 9th to 10th August 2025
- ◆ Team Structure: Solo or Team (up to 3 members)
- ◆ Duration: 36 hours
- ◆ Fee: Rs. 1500
- ◆ Judging Criteria:
 - Design quality
 - Functionality
 - UI/UX experience
 - Innovation factor

02

WEB DEVELOPMENT

Design. Build. Win.

◆ Competition Rules:

- Project themes will be shared at the beginning of the competition.
- Participants must submit original code.
- Use of templates or boilerplate is allowed only with substantial customization.
- Websites must be deployed and accessible online.
- All submissions must be uploaded through the LoopLab platform.
- Use of GPT or AI tools is allowed for ideation, content generation, or minor code suggestions – provided originality and effort are clearly evident.

02

APP DEVELOPMENT

APP DEVELOPMENT

Create Apps that Change Lives

- ◆ Competition Date: 9th to 10th August 2025
- ◆ Team Structure: Solo or Team (up to 3 members)
- ◆ Duration: 36 hours
- ◆ Fee: Rs. 1500
- ◆ Judging Criteria:
 - Innovation level
 - Design aesthetics
 - Functionality
 - Problem-solving approach

03

APP DEVELOPMENT

Create Apps that Change Lives

◆ Competition Rules:

- You must develop a functioning mobile app by the deadline.
- You can use frameworks like Flutter, React Native, or native Android/iOS development.
- Originality is key. Repackaged apps or no-code platforms will be disqualified.
- All projects must be submitted via the LoopLab competition portal.
- Use of GPT or AI tools is permitted for UI copy, user flow ideas, and functional brainstorming – final implementation must be customized and reflect participant skills.

03

MACHINE LEARNING MODEL

MACHINE LEARNING MODEL

Train. Predict. Dominate.

- ◆ Competition Date: 9th to 10th August 2025
- ◆ Team Structure: Solo or Team (up to 3 members)
- ◆ Duration: 10 hours
- ◆ Fee: Rs. 1500
- ◆ Judging Criteria:
 - Model accuracy
 - Innovation in approach
 - Explainability
 - Data preprocessing

04

MACHINE LEARNING MODEL

Train. Predict. Dominate.

- ◆ Competition Rules:
 - A dataset will be released at the start of the competition
 - Participants will build and train a machine learning model for classification or prediction
 - You can use libraries such as scikit-learn, TensorFlow, PyTorch, or others
 - All model training, preprocessing, and predictions must be documented clearly
 - Submissions must be uploaded via the LoopLab competition portal

04

BENEFITS

WHAT'S IN IT FOR YOU?

- 🏆 Cash Prizes
- 🏅 Certificates
- 🌐 Recognition on LinkedIn + Website
- 🤝 Internship & Mentorship Opportunities

Whether you win or learn – you grow.

RULES & GUIDELINES

RULES & GUIDELINES

- Participants must register before the deadline.
- You can participate in more than one module.
- Teams must remain consistent after registration
- Plagiarism or use of pre-built templates without modification is strictly prohibited.
- All decisions by the judging panel are final.
- Respect deadlines, team spirit, and fair play.

IMPORTANT DATES

- ◆ Registration Deadline: 5th August 2025
- ◆ Competition Dates: 8th to 10th August
- ◆ Result Announcement: To be Announced

LOOPVERSE IS ONLINE

- 🌐 No travel. No hassle.
- 📍 Join from anywhere – your room, your lab, your favorite café.
- 💻 All modules will be conducted virtually.
- 👤 Just bring your laptop and skills.
- ✨ Learn, build, and compete with techies across the country – without leaving your desk.
